## OLD HOTEL ENTRANCE WILL BE REMODELED

AND ANOTHER ENTRANCE  
MADE TO LOBBY OF  
CHIUQUOLA

### EIGHT OFFICES

Will Be Equipped on Each Side of  
Big Hallway, Four of Which  
Are Already Rented.

Mr. Bob King announced yesterday that he and Dr. George W. Evans would have the room, where the Hotel Chiuquola lobby was formerly, remodeled within the next few days, both sides to be fitted up into eight office space, with a hallway or entrance running from West Whitner street into the present lobby of the hotel. The plans have been drawn by Casey and Fant, architects of this city, and work will begin within the next few days.

Mr. King states that this room will be finished in the same style as the new hotel lobby, in that it will have the oak finished wainscoting, the large shaded lights, tile floor, etc. The hallway will be about six or seven feet wide and on each side of this entrance there will be four rooms fixed up for offices, making a total of eight in all. Mr. King states that these will be modernly equipped with steam heat, etc. Already four of these office rooms have been rented.

In addition to the remodeling that is to be done on the inside, the old front of the Hotel Chiuquola will be remodeled and fixed up in first class style. Chairs will again be placed around the entrance and West Whitner street along there will once more look like the same old place in that respect. A large electric sign will also be placed at this entrance.

Mr. King stated that the new hallway would be fixed up in just as pretty style as the new lobby and that a deep red rug would be placed from the entrance to the lobby. It will be well lighted and will add greatly to the appearance of the building as well as to the convenience of the hotel patrons.

## MEETING OF COUNTY TRUSTEES ON MONDAY

HAS BEEN CALLED BY W. A.  
TRIPP, PRESIDENT AS-  
SOCIATION

### HIGH SCHOOL ACT

Will Be Discussed Since Some Ac-  
tion May Be Taken By Law-  
makers of State.

Letters reading as follows have been sent out from the office of Mr. J. B. Felton, county superintendent of education and is self explanatory: Sept. 29, 1915.

Dear Trustee:

The next meeting of the County Trustees association of Anderson county, will be held at Anderson, S. C., on Monday, October 4, at 12 o'clock, and at this meeting we expect to talk over and discuss the plans for the best interest of the school of the county. These meetings are growing more interesting as they come and we would be glad to have every trustee of the county present if possible.

This is the beginning of the school year proper and it will be a good thing for us to discuss the problems of the rural school at this meeting.

There will probably be some action taken by the lawmakers of the state this year in regard to the present high school act and the trustees of the county are especially asked to be present at this meeting and to make known some amendments they would like to see to go into this act.

Very truly yours,  
P. S.—Please send to the county superintendent of education the names of the teachers of the schools of the county at once, as he wishes to get out a list of teachers and trustees of the county for the years 1915-16.  
W. A. T.
